

about
**STANLEY
STEEMER**

One of the largest and most advanced **Restoration Companies in Upstate NY**

► **We are Easy to Contact and Always Available**

We answer live 24 hours a day / Seven days a week.

► **Extremely Knowledgeable Staff**

We have the largest staff of IICRC-certified technicians in Upstate New York.

► **All the Cutting Edge Money Saving Equipment**

We have one of the largest and advanced inventory of restoration equipment in Upstate New York.

► **Honest Pricing You Can Trust**

We are pre-approved by many major insurance companies and smaller mutuals. We use insurance industry standard Xactimate pricing.

► **Satisfaction Guaranteed**

A final walk-through with the customer is always conducted and a Certificate of Satisfaction is signed.

Stanley Steemer has been assisting commercial and residential customers with property damage for over 50 years. All of our local managers and project supervisors have over 12 years of hands-on experience in disaster restoration, which is the biggest benefit you can have after a property loss.

We provide a thorough inspection and estimate upon our visit, complete with detailed documentation of the work to be done. We don't use contractors, so your clients can expect a highly-trained, insured and bonded, uniformed employee working in their homes and businesses.

*Serving Central, Northern,
Eastern & Western New York*
